## CERTIFICATION

### COURSERA |WEB DEVELOPMENT INTERNSHIP

#### BUILD A FULL WEBSITE USING WORDPRESS

- TO showcase my website development skills, I created a full website using WordPress, incorporating responsive design and user-friendly navigation.
- I utilized customizable themes, plugins, and implemented SEO best practices to enhance visibility. My experience includes crafting compelling content, managing multimedia elements, and ensuring seamless functionality.
- This project demonstrates my proficiency in WORDPRESS Development and highlights my ability to create visually appealing, functional websites.

### THE WEBSITE MAKER | CERTIFICATION OF INTERNSHIP

Sep 2023 | ISO

- Successfully earned a certificate for completing an internship at The Website Maker, focusing on HTML5, CSS3 and JavaScript.
- Delighted by the enriching experience, I actively contributed to web development projects, enhancing my skills and knowledge.
- This internship has not only equipped me with technical expertise but also instilled a strong sense of accomplishment and enthusiasm for creating impactful digital experiences.

## EXPERIENCE

### CODSOFT |WEB DEVELOPMENT INTERN

Feb 2024 | Tamil Nadu

- Calculator: Developed responsive calculator using HTML5, CSS, and JavaScript. Implemented functionality for basic arithmetic operations, showcasing proficiency in front-end technologies.
